Be a Joy-Walker, "Gets-It" for Corns

3 Drops, 3 Seconds—Corns Doomed!

When you almost die with your shoes on and corns make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply 2 or 3 drops

"My Corns Peel Clean Off, With 'Gets-It'!"

of the world's magic and only genuine corn-peeler, "Gets-It." Then, and then only, will you be sure that your corn will loosen from your foot so that you can peel it right off gloriously easy with your fingers. Take no chances of continued pain and soreness—why use greasy, irritating salves, plasters that shift and press into the "crack," razors and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O. K'd it for years. It never fails. "Gets-It," the guaranteed money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommended as the world's best corn remedy by The Penny Drug Store.

TO CELEBRATE COLUMBUS DAY

October 12th, Columbus Day, will be made an interesting day in Stanford. We hope people will be here from all over the county. The Woman's Club will serve coffee and sandwiches. The proceeds will go towards supporting a French orphan. There will be a lot of pretty girls present to measure all who are interested in this good cause. By paying 10 cents a foot for your height, you can have a lot of fun and also donate to this worthy obligation.

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderrine" hair "bath." Just try this—moisten a cloth with a little Danderrine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderrine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knawton's Danderrine from any drugist or toilet counter for a few cents.

While coming down to see the Trophy train Thursday afternoon, the auto J. D. Willis was driving turned turtle when it ran over a dog and Mr. Willis' right hand was badly cut. VINOL MAKES WEAK WOMEN STRONG

Positive—Convincing Proof

We publish the formula of Vinol to prove convincingly that it has the power to create strength.

It Cod Liver and Beef Peptones, Iron and Manganese Peptones, Iron and Manganese Chloride, Lime and Soda Glycophosphates, Casein.

Any woman who buys a bottle of Vinol for a weak, run-down, nervous condition and finds after giving it a fair trial it did not help her, will have her money returned.

You see, there is no guess work about Vinol. Its formula proves there is nothing like it for all weak, run-down, overworked, nervous men and women and for feeble old people and delicate children. Try it once and be convinced.

WORKING TO PAY FOR BONDS

Mr. Will Matt Murphy, of the Southern End of the county, is a patriotic gentleman and his example should be emulated. He is 71 years old, and notwithstanding that fact he walks four miles to his work on the railroad each day. Asked why he was working so hard in his old days, he replied, "The boys are doing my fighting and I feel that I should do something for them. I am putting every dollar I can make into Liberty Bonds and War Savings Stamps."

BODY OF REED ARRIVES

The body of Lucien Reed, whose death up in Rhode Island was mentioned in these columns several days ago, did not arrive until Thursday afternoon, when it was taken to the home of his father, Mr. Mart Reed, of the Highland section, and buried this morning. Young Reed was in training for service overseas when he contracted the fatal influenza. He was a fine boy and the people of his home are greatly saddened by his demise.

ALL Parties who have not paid their accounts made prior to July 1, 1918, will please come forward and pay at once, as I am compelled to raise money and must take steps to collect.
